**L**aunceston Church Grammar School is the oldest continually operating independent school in Australia with a long and proud heritage as well as an outstanding academic record.

As Headmaster, I am extremely proud of our 2018 Grade 12. They have worked diligently, persisted with their academic pursuits and their achievements speak for themselves. Their Tasmanian Assessment, Standards and Certification results are exceptional.

- 42% of students received an ATAR above 90 which placed them in top 10% of students in Australia.
- 74% of students received an ATAR above 80 which placed them in the top 20% of students in Australia.

These results are evidence of the School's strong learning culture and the dedication, passion and expertise of our teaching staff, as well as the ongoing support provided by parents. The students' strong leadership, outstanding service to others and selfless contribution to our community, will leave an indelible mark on the School for many years to come.

Launceston Grammar is committed to providing an educational environment in which students can feel confident to express and develop their individual strengths, are keen to take on new challenges, feel a strong sense of responsibility for their own community, are willing to make decisions for themselves and act with integrity.

## Our 2018 Dux

Congratulations to Jack Crawford (left) for attaining an ATAR of 99.7.

Jack's leadership and enthusiasm at School resulted in his well-deserved appointment as 2018 School Co-Captain.

While at Launceston Grammar he immersed himself in maths and science subjects as well as other co-curricular activities including cricket and football. Jack believes the School's excellent teachers underpinned his academic success.

Awarded the prestigious Vice-Chancellor's National University Scholarship, Jack is now studying Engineering at the University of Tasmania.
