ACKNOWLEDGEMENT OF APPLICATIONS

Applications are acknowledged by email, typically this occurs within 24 hours. Where an email address has not been supplied, an acknowledgement letter will be sent by Australia Post.

Please Note: Recruitment processes conducted over school holiday periods may result in a delay to the email acknowledgement, but this will occur as soon as is reasonably practicable.

SHORTLISTING OF APPLICATIONS

Shortlisting of candidates for interview commences as soon as possible after the closing date for applications. The timeframe for shortlisting depends on the size of the applicant field and consequently this process may take some time to complete (typically between 1-4 weeks). The recruitment panel shortlists candidates against the selection criteria and only those candidates who demonstrate the strongest claims are selected for interview.

Candidates not selected for interview are notified via email, or by letter (where no email address has been provided).

PLEASE NOTE: Due to the high number of applications typically received when we advertise a vacancy, we are unable to provide individual feedback or coaching to candidates not selected for interview.

ASSESSMENT OF SHORTLISTED CANDIDATES

A variety of methods may be used to assess candidates. An interview typically forms part of the assessment process. Overall assessment includes the job application documents and reference checking with nominated referees.

Candidates who take part in an interview will be advised at the interview when the outcome of the recruitment process will be known. The successful applicant will be contacted by telephone. Unsuccessful applicants will be contacted by email, or by letter (where no email address has been provided).

Candidates who take part in an interview may request feedback. Any feedback provided will be relevant to the candidates' performance and provided in the interests of personal improvement. Comparisons of individual candidates will not be made.

SELECTION

Launceston Grammar's selection process is governed by the merit principle. The merit principle requires that selections are based on the combination of ability, qualifications, relevant experience, performance at interview and reference checking all compared against the selection criteria.

The candidate selected will, in the decision of the recruitment panel, be the candidate best suited to the overall requirements of the position, as assessed through the recruitment process outlined above.

PLEASE NOTE: Our selection process may involve more than one interview. A meeting with the Headmaster will form part of the process.
